

2018 Chelsea Yacht Club Wednesday Night Racing

Course numbers will be posted on both sides of the R/C Boat. When a twice-around course is signaled (any course containing a hyphen such as DW-DW), all boats shall complete the first lap by sailing through a gate, defined as the R/C boat and “Y” Mark (Start/Finish line).. Mark “Y” is the starting pin which may be a mark of the course. If conditions permit and a longer race is desired, any of the regular series courses may be used by signaling the appropriate number. In this case the spinnaker fleet will sail “A Fleet” courses and the non-spinnaker fleet will sail “B Fleet” courses, unless otherwise specified by the Race Committee.
