

2009 NY State Championship Laser Regatta

Hudson River Quadricentennial Edition

Dear NY State Laser Sailor:

It may be game-over for the Empire State Games, but it's game-on at the Chelsea Yacht Club!

CYC was selected to host the sailing competition for the now officially abandoned 2009 Empire State Summer Games. The Games may be off, but with encouragement and much appreciated assistance from the regional coordinators, the sailing is on. CYC will host a substitute regatta as part of the Hudson Valley's season-long celebration of the 400th anniversary of Henry Hudson's exploration of the Hudson River.

The regatta will feature all-day racing on Friday, July 24th, Saturday, July 25th, and morning races on Sunday July 26th. We'll have breakfast all three days, on-water lunches Friday and Saturday, and dinner Saturday evening. As in 2005, you can tent on our lawn, but I've included a list of nearby hotels on the Notice of Race. Some members may be able to host a sailor, too.

There are no qualifiers for this event, so the more, the merrier. With the Quadricentennial in full swing, we may even have spectators, so please come and help us celebrate.

Hope to see you at CYC in July,

Barry Meehan, Past Commodore
